Welcome to our first chamber newsletter

A Message from The President:

Thank you for taking the time to read the all new Sullivan Area newsletter. This is the Sullivan Area Chamber of Commerce's latest efforts to promote local businesses to the residents of our area. This newsletter is meant to bring the many diverse businesses in front of the host of people who make up the population of Sullivan. We plan to provide you with community calendars along with local area business specials (to provide you with value), business advertisements (to inform you about our local businesses), and helpful money saving tips. In closing I would like to thank all those that buy locally when they can. This is what helps build our community into a great place to live.

Respectfully, Patrick Klatt

Everything You Need From Your Sullivan Area Local Businesses

Kurth's Automotive Inc

Did You Know?

- When you shop locally owned businesses, your money is re-circulated over and over and creates up to 75% more tax revenue to our community and state.
- Independent businesses raise the standard of living in your community because they take their profits and buy products and services from other local businesses, thus creating more and more tax revenues needed for the community to thrive.
- Independent businesses are unique enterprises that contribute to the character of our community by offering a more diverse selection of goods and services.
- Independent businesses provide meaningful service with a personal touch. It matters to them that you are satisfied and will come back again.

You Can Make a Difference !

Because of your generous donations to the recent fund drive for the Food Pantry, the Sullivan Area Chamber of Commerce was able to donate over \$700.00 to the Rome-Sullivan food pantry.

“People helping people is what our community is all about.”

You can make a difference with a few simple steps:

- Make a decision to find and patronize a locally owned business, whenever possible.
- Dine at a local, independent restaurant and treat yourself to a unique and personal dining experience.
- Tell your associates, family and friends what is happening and why.

We all create our communities. Let’s create strong and vibrant communities as a legacy for those who follow.

Support your Sullivan Area Chamber of Commerce by donating or join us as a member business or friend.
